How to Install the GSCC App

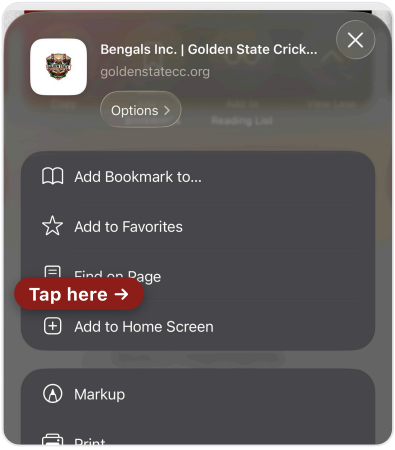

Add Golden State Cricket Club to your home screen — no App Store needed. Works on any iPhone.

Safari

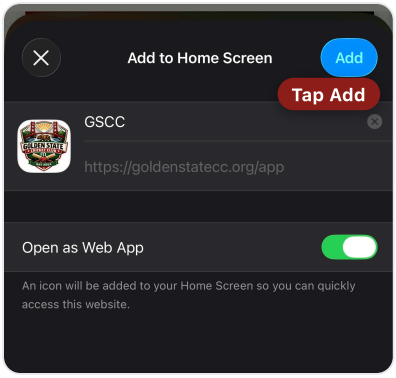

1 Tap the **options menu** at bottom of Safari

2 Tap "Add to Home Screen" in the share sheet

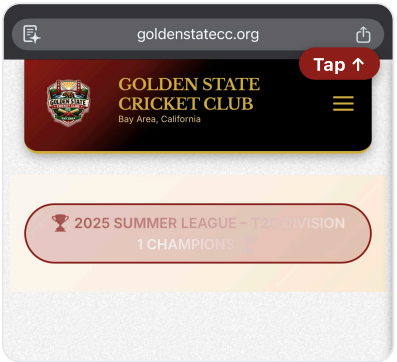

3 Tap **Add** to confirm

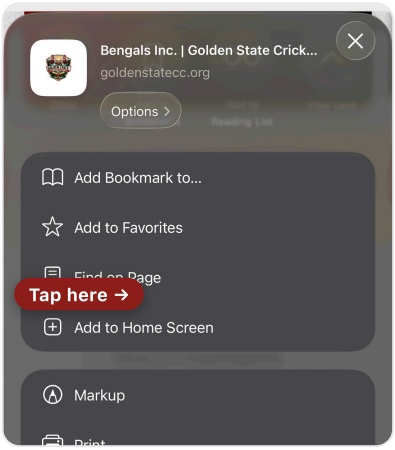

Chrome

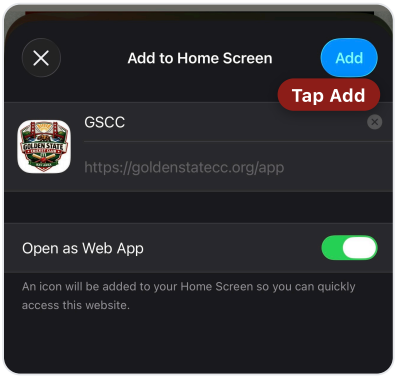

1 Tap the **share icon (↑)** in the Chrome address bar

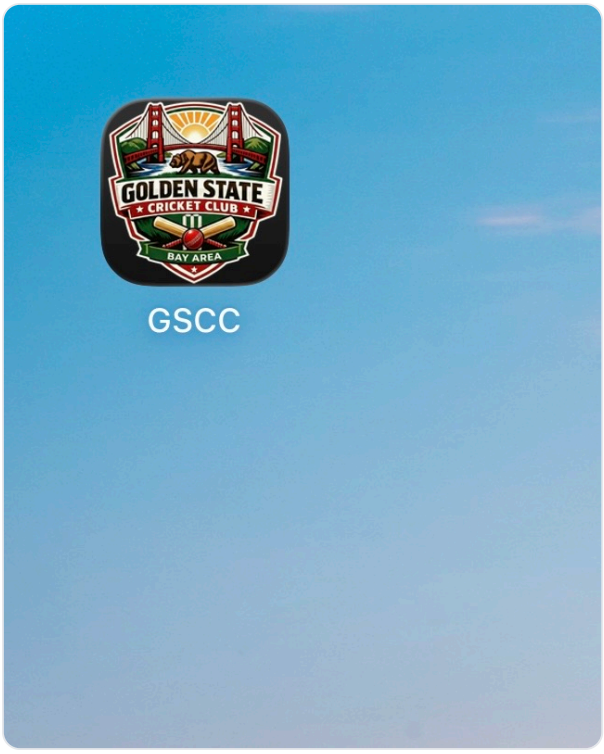

2 Tap "Add to Home Screen" in the share sheet

3 Tap **Add** to confirm

That's it — the app is on your home screen!

The GSCC icon appears on your home screen. Tap it to launch the app.

- Opens full-screen, no browser bar
- Works like a native app
